## DOSAGE GUIDE FOR DOGS

Gently shake bag before use to mix settled herbs. Mix the proper dosage of Herbal Solution with a small amount of wet/canned food or gravy and feed it to your dog directly. If you are mixing more than one formula, mix and administer separately. You may give one right after the other.

**Do not give within 1½ hours of pharmaceutical medication or other herbal products.**

**Give the following dosages 2 times daily:**

	<b>Weight Dosing</b>	<b>Guideline Measurements</b>
Very Small Dogs	4 – 15 lbs	1 rounded spoonful
Small Dogs	16 – 25 lbs	2 rounded spoonfuls
Medium Dogs	26 – 50 lbs	3 rounded spoonfuls
Large Dogs	50 – 80 lbs	4 rounded spoonfuls
Very Large Dogs	80 - 165 lbs	5 rounded spoonfuls

**1 spoon = 1/2 teaspoon**
